

The image shows a 6x6 grid of squares. A 3x3 subgrid is highlighted in the center, spanning rows 3 to 5 and columns 3 to 5. Within this subgrid, the four central squares (rows 4-5, columns 4-5) are dark gray, and the square at row 4, column 4 is medium gray. The other squares in the subgrid are light gray. The squares outside the subgrid are white.
